None.

3. New Business:

A. **Verizon Wireless.** Mr. Bret Smith from sign company present for applicant. Chairman Castrovillari moved to approve application as submitted. Mrs. Watkins second. Discussion: Mrs. Tworzydlo said she has seen a number of these signs around and asked Mr. Smith if they had done the others. Mr. Smith stated that he did one in Avon. Mrs. Tworzydlo said this appears to be a different sign. Mr. Smith said they are all supposed to be like this one with a checkmark. He went on to say that he had contacted Verizon about not using the checkmark because it takes up so much space but they said it has to be on there. Chairman Castrovillari said that 75 feet away it will get lost anyway because it's so skinny. Mr. Smith said it is actually quite bright because it's red and it stands out. Mrs. Tworzydlo said she doesn't think the checkmark is on the other signs. Mr. Kapitan said he believes it is. Chairman Castrovillari said, according to Rito, this sign is actually under the allowable square footage. Mr. Kapitan said the checkmark drives the letter size down. He went on to say that his copy of the application looks like the checkmark is orange. Mr. Smith said it is standard red. Chairman Castrovillari asked if it was individual letters on raceway. Mr. Smith said no it is flush mount. Roll called. Motion carried.
