

## **STOREFRONT RENOVATION REBATE PROGRAM**

### **PROGRAM DESCRIPTION:**

The Storefront Renovation Rebate Program (SRRP) was designed to encourage property owners and/or business tenants within the Urban County to make façade improvements and/or correct exterior code violations, which creates a more attractive and inviting building. The SRRP is available to new and established commercial businesses.

### **HOW DOES THE SRRP WORK?**

The Community Development Division realizes the value in actively working with community leaders, property owners and business tenants to reinvigorate Urban County communities. Therefore, the Community Development Division will offer rebates up to \$8,000 per building for materials and supplies for storefront improvements. The property owner or business tenant who chooses to complete the project himself or have the improvement completed by their own company shall be required to pay for all labor cost involved with the project.

Businesses located in an Improvement Target Area may receive a 40% rebate (maximum \$8,000), for qualified exterior improvements. Businesses **NOT** located in an Improvement Target Area may receive a 30% rebate (maximum \$6,000), for exterior improvements. An additional 5% rebate may be available to businesses that use green/sustainable/recycled component in the project.

**Please note: Any storefront improvements made prior to the submission of a SRRP application will not be eligible for the rebate and will not be considered part of the eligible project.**
