TO: The Residents of North Royalton

FROM: Vince Gentile, President of Council

As you all know, the City of North Royalton is experiencing a significant revenue shortfall due to the global recession. As a result, the city has imposed many cost saving measures, one of which is unpaid furlough days for city employees. Employees have been asked to take one unpaid furlough day per pay period beginning August 1, 2010, through the end of the year (10 days total).

To that end, the City Council Office staff will be participating in the unpaid furlough day program by closing the City Council Office on the following days in 2010:

August 6	November 5
August 20	November 19
September 10	December 10
September 24	December 24
October 8	
October 22	

As always the city website will be available for any and all Council Office documents you may need to access during these office closings.

Please know that the City Council Office works very hard to provide assistance and information to the community and will continue to do so through these difficult times. We thank the community for your understanding and patience as we implement these cost savings measures.
