RE: 2008 Street Striping Program

On Monday, June 2 at 9:00a.m., the 2008 Street Striping Bid opening was held in Council Chambers. Attached, please find a copy of the tally sheet.

After reviewing all bids, I am recommending that we accept Aero Mark, Inc., \$60,267.00 bid as the lowest and best bid for the 2008 Street Striping Program. Copy of their bid paperwork is also attached.

We would like to have Council's approval at the June 17th meeting and all paperwork done so that we can begin work in early August right before the next school year begins.
