**RE:** Bid Opening / Recommendation

On Monday, June 16, 2008, bid openings were held for Two (2) 25 Cubic Yard High Compaction Rear Loading Body's Mounted on Two (2) Dual Drive, Cab-Over, Low-Entry Cab & Chassis. The bid opening tally sheet is attached for your review.

As you can see, there were four vendors that submitted bids. Specifications, pricing and number of days for delivery varied. After review of all bids submitted, it is my determination that Best Equipment meets our choice of specifications and delivery best.

We are recommending approval/acceptance of Best Equipment Company in the amount of \$373,580.00 as the lowest and best bid for these trucks. If you have any questions, do not hesitate to contact me. Thank you.
