*CONFIDENTIAL MEMORANDUM*

---

To: Finance Committee  
From: Thomas Kelly, Law Director  
Date: November 12, 2008  
Subject: Robinson moral claim

cc: Mayor Robert Stefanik  
Larry Antoskiewicz, Councilman Ward 5  
Karen Fegan, Finance Director

---

On July 3, 2008 nature visited a micro-burst upon North Royalton. The rainfall overwhelmed "A" Plant and for a variety of reasons our pumping system failed.

The Robinson home at 12900 Edgerton Road suffered some significant flooding and damages as a result. Their total estimate of the clean-up costs and repairs approaches \$12,000.<sup>00</sup>

Upon review of all the facts and circumstances I am inclined to recommend that the Robinson claim be partially accepted and that the city assume to compensate them for the cost of clean-up only in the sum of \$2,054.90.(ServiceMaster by Ameristeam) and \$538.58 (Sears-AirDuct/Furnace Cleaning).

Should you have any questions, please contact me.
