RE: Bid Recommendation

Please find attached the tally sheet from bid opening for the High Intensity Prismatic Sign Supply Bid Program.

Three vendors bid the program with Rocal, Inc as the lowest bidder at \$44,093.56. However, there were several areas of their bid packet where they chose not to submit a bid, therefore, the reason for the lower bid. I am recommending that the City of North Royalton accept the bid of Vulcan, inc as the lowest and best bid at \$48,819.31. If there are any questions, do not hesitate to contact me. Thanks.
