Agenda reviewed.

Mr. Gentile asked for an explanation of the amendment to the Enterprise Zone Agreement with Laszeray Technology as proposed in Ordinance 08-177. Economic Development Director Thomas Jordan explained that the amendment is a name change to reflect the current ownership of the property. Ohio law requires that all parties with an ownership interest in the property to be party to the Ohio Enterprise Zone Agreement.

Mr. Antoskiewicz asked for an explanation of the \$69,500 transfer for "Other General Government" contained in Ordinance 08-179. Finance Director Karen Fegan explained that this is for our election expenses and the money came from a reduction of the consultants line item in the Engineering Department budget.

Mrs. Haller stated that the Law Director has requested that no action be taken on 08-112 this evening so that he may have a further opportunity to review this Ordinance. We can proceed with the Public Hearing this evening, but take no action under the regular order of business.

Mrs. Haller announced that the Law Department has requested an Executive Session this evening to discuss the purchase of property.

#### **MISCELLANEOUS**

Regarding Ordinance 08-185, Mr. Willey felt that it was a good business decision to set up salary ranges for these Department Heads, especially as it relates to the Law Department. This will allow the city to have more work done in house by the Law Department. There will be a greater hands on control of legislation and we are getting a better value for our dollar vs. using outside legal sources. Mr. Willey commended the Mayor for bringing this legislation to Council.

**Dave Petrie** 336 Ashbury Lane, Hinckley, Ohio, addressed Council on behalf of his parents who live at 18297 Crystal Lakes, North Royalton. His parents moved into their home in May of 2005 and at that time the property was not deemed to be worthy of an occupancy permit due to steep grading. However, in January they received a letter that says they have been granted an occupancy permit although nothing has been done and no site improvements have been made in spite of pledges from the builder that they were going to do so. Mr. Petrie said he is asking what has changed.

Mayor Stefanik suggested that Mr. Petrie speak with the City Engineer at the end of this meeting.
