The Issue 1 Committee meeting was held on April 1, 2008, at North Royalton City Hall, 13834 Ridge Road. The meeting was called to order at 6:36 p.m.

Present: Committee: Chairman Vince Gentile, Larry Antoskiewicz, Dan Kasaris; Council: Gary Petrusky; Administration: Mayor Robert Stefanik, City Engineer Ken Tyrpak; Patrick Jones; Nick Cinquepalmi.

APPROVAL OF MINUTES

Moved by Mr. Kasaris, seconded by Mr. Antoskiewicz to approve the March 5, 2008, minutes. Yeas: 3. Nays: 0. **Motion carried.**

UNFINISHED BUSINESS

1. Discussion of 2008 projects

Mr. Tyrpak reported with regard to the Julia/Ridge/Royalwood intersection that the taking of property was considered in the cost and he felt that the figure would be accurate. The actual construction of the project is estimated at \$1.8 million including the contingency and inflation figures.

Mr. Antoskiewicz said at 20% contribution level this failed last time and it was recommended to increasing it 30%. This would bring the contribution of the city to \$600,000. Mr. Tyrpak said that the contribution is considered when making application. If the project was awarded the money it would need to be spent by 2010.

Mayor Stefanik said that is a lot to spend for an intersection project and that perhaps the money would be better spent repairing other roads.

Mr. Tyrpak said that money becomes available at times if communities have to back out of the award. There was discussion regarding if submitting storm water or road projects would give more weight.

Mayor Stefanik said that when the state resurfaces the state routes (State Road and Ridge Road) that the Julia/Ridge/Royalwood intersection could be considered at that time.

It was determined to leave Julia/Ridge/Royalwood intersection off the list and ask for assistance with the Bennett Road and Akins Road projects.

ADJOURNMENT

Moved by Mr. Kasaris, seconded by Mr. Antoskiewicz to adjourn the meeting. Yeas: 3. Nays: 0. **Motion carried.** Meeting adjourned at 6:56 p.m.
