

**Cuyahoga County Engineer's Office
Royalton Road/W. 130th Street Intersection Improvements
In the City of North Royalton**

Note: Traffic delays in the following areas (listed below) are envisioned.
Traffic will be altered on Royalton Road, W. 130th Street and Edgerton Road, and signal
patterns will be altered for the duration of construction.
Questions regarding this improvement project should be directed to the Construction
Department at the Cuyahoga County Engineer's Office.
Messages will be received at (216) 348-3838

UPDATE!!!!

Phase 4 – Maintenance of Traffic

- Roadway Improvements are scheduled to begin on Wednesday, July 21, 2010.
- Includes the southwest quadrant of the intersection (W. 130th Street and Royalton Road).
- Royalton Road traffic is shifted to the north, to allow 1 lane of traffic in each direction through the work zone.
- W. 130th Street traffic is shifted to the east, to allow 1 lane of traffic in each direction through the work zone, north of Royalton Road.
- Includes construction of pavement widening and replacement, including sidewalks and driveways, within the work zone.
- Estimated time of completion of Phase 4 is Thursday, August 12, 2010.

TURNING RESTRICTIONS – PHASE 4!!!!!!!

- 1. No LEFT turn from northbound W. 130th Street**
 - 2. No RIGHT turn from eastbound Royalton Road**
-
