

Cuyahoga County Engineer's Office
Royalton Road/W. 130th Street Intersection Improvements
In the City of North Royalton

Note: Traffic delays in the following areas (listed below) are envisioned.
Traffic will be altered on Royalton Road, W. 130th Street and Edgerton Road, and signal patterns will be altered for the duration of construction.
Questions regarding this improvement project should be directed to the Construction Department at the Cuyahoga County Engineer's Office.
Messages will be received at (216) 348-3838

Phase 1 – Maintenance of Traffic

- Roadway Improvements are scheduled to begin on Tuesday, April 6, 2010.
- Includes the southeast quadrant of the intersection (W. 130th Street, Edgerton Road and Royalton Road).
- Royalton Road traffic is shifted to the north, to allow 1 lane of traffic in each direction through the work zone.
- W. 130th Street traffic is shifted to the west, to allow 1 lane of traffic in each direction through the work zone.
- Edgerton Road traffic is shifted to the southwest, to allow 1 lane of traffic in each direction through the work zone.
- Includes construction of pavement widening and replacement, including sidewalks and driveways, within the work zone.
- Estimated time of completion of Phase 1 is Wednesday, April 28, 2010.

Phase 2 – Maintenance of Traffic

- Roadway Improvements are scheduled to begin on Thursday, April 29, 2010.
- Includes the northeast quadrant of the intersection (W. 130th Street, Edgerton Road and Royalton Road).
- Royalton Road traffic is shifted to the south, to allow 1 lane of traffic in each direction through the work zone.
- W. 130th Street traffic is shifted to the west, to allow 1 lane of traffic in each direction through the work zone, north of Royalton Road.
- Edgerton Road traffic is shifted to the northwest, to allow 1 lane of traffic in each direction through the work zone.
- Includes construction of pavement widening and replacement, including sidewalks and driveways, within the work zone.
- Estimated time of completion of Phase 1 is Sunday, May 23, 2010.

TURNING RESTRICTIONS – PHASE 2!!!!!!!
