Sunday, September 20, 2015...During The Harvest Fest

A 40 x 60 foot area is divided into 600 squares, each of which will be sold for \$5.00. If all 600 tickets are sold, the main area of the first 'dropping' of the North Royalton "Do Do Cow" will net the main 'deed holder' \$500, the eight adjacent owners each \$100 . ( If all tickets are NOT sold, proceeds will be prorated!) Deed areas will be pre-determined by drawing, not by ticket number; 'Drop' area will be professionally measured by judges whose decision will be considered 'final'. If drop area occurs on an outside/edge plot, adjacent winner rolls over to opposite side. If no 'dropping' takes place, drawing held by judges will determine the winners.
