

**Maple Leaf Health Care
Council of Governments**

- I. There is hereby created, pursuant to Ohio Revised Code Chapter 167, the Maple Leaf Health Care Council of Governments.
- II. The signators are the authorized representatives of their respective municipal governments having been granted authority to enter into this compact by their respective municipal councils.
- III. The purpose of the Maple Leaf Health Care Council of Governments shall be to collectively investigate and explore every available avenue to obtain health insurance alternatives for municipal employees at the most reasonable prices and to negotiate collectively with health insurers and/or health care providers.
- IV. The Council shall be formed by the adoption by each municipal member of an authorizing ordinance approving of this compact and agreeing to actively participate therein.
- V. Each municipal member shall be represented by its Mayor and/or Law Director on the Board of Trustees, which Board shall oversee the creation of such rules, regulations, committees and administrative positions as it shall deem best for the fulfillment of its stated purpose.
- VI. The Council Board of Trustees shall meet at least once every quarter (or more often as it deems appropriate) and shall annually make a report to its municipal members of its activities and recommendations.
- VII. The Council Board of Trustees shall elect such officers from among its members as it deems sufficient to conduct its affairs in an orderly manner and shall keep and retain regular minutes of its meetings.
