RECYCLING SCHEDULE AND INFORMATION

Thank you for your continued support and participation in our recycling programs. The importance of these programs continues to grow as rubbish disposal costs rise, and all solid waste is disposed at area transfer stations.

Recycle items have greatly expanded and items may now be co-mingled, curbside pickup is weekly and should be placed in either **blue recycle bags** or **blue recycle bins** only (no larger than 18 gals).

This recycling brochure is provided so that everyone can participate in the many service programs provided. Please take the time to read and review the recycling guidelines. The map inside this brochure will locate your pick up day, including the schedule for affected holidays. Also included in the guidelines, is information concerning the collection of yard waste and white goods.

If you have any questions about any of these services, please contact the Service Department at 440-582-3002 between 8:00AM and 4:30PM, Monday through Friday.

Thank you, Bob Stefanik, Mayor

RECYCLE Schedule & Map

Recycles are collected every week on your regular rubbish day. All materials must be out by 7:00AM on your collection day, but not before sunset of the evening before your collection day.

SUMMARY OF RUBBISH GUIDELINES

Residents are reminded of the following ordinances and policies, which apply for the collection of rubbish.

MATERIALS MUST BE OUT BY 7:00AM of the collection day, but not before sunset of the day prior to the scheduled collection. Route sizes, available equipment and manpower do not allow time for the crews to double back over routes for late put outs. See Holiday Schedule listing for days affected.

1. Containers must have lifting handles, not to exceed 32 gallons capacity nor weigh more than 65 pounds when filled and closed.
2. Plastic bags may be used, but are not to weigh more than 35 pounds when filled and closed.
3. All containers for rubbish must be able to withstand inclement weather. Therefore, cardboard boxes/drums or other cardboard items are not to be used as containers for rubbish. Cardboard boxes are to be flattened, pieces of cardboard tied securely in bundles, large appliance/furniture type boxes are to be cut into two x four foot size and securely tied into bundles. Each bundle cannot weigh more than 65 pounds. (If you wish to recycle cardboard, please see Recycle Guidelines)
4. Magazines placed for trash pick up must be securely tied in bundles not weighing more than 65 pounds per bundle. (If you wish to recycle, please see Recycling Guidelines)
5. Items such as **carpet/padding** must be cut into four-foot wide strips, rolled to no greater than two feet in diameter and tied securely at both ends. The rolls must not weigh more than 65 pounds each.
 - Large items such as furniture, couches and mattresses, appliances, etc. are placed for pick up on regular rubbish days. Call the Service Department @ 440-582-3002 the day before your rubbish day to schedule pick up.
 - Latex paint cans with only dried or thickened paint (add and stir in kitty litter) will be picked up. Oil bases paints can be dropped off at the Recycle Yard.
 - Curbside recycling collection is every week on the rubbish day.

WE CANNOT ACCEPT FOR CURBSIDE COLLECTION: Rocks/Earth/Concrete • Liquid and Industrial Waste • Animal Waste • Medical Waste • Hazardous Waste • Flammable Material • Auto Parts / Scrap Metal • Pipe / Fencing • Building Materials

Residents are reminded that it is their responsibility to see that all materials set out for pick up are secured. Crews do not have time to clean up litter, bags or containers that animals or weather scatter about.

DROP-OFF ITEMS – Please see your “Drop-off Guidelines” for these items
Computers • Scrap Metal
