A Message From Mayor Stefanik

Thank you for your continued support and participation in our recycling programs. The importance of recycling continues to grow as rubbish disposal costs rise, and all solid waste is disposed at area transfer stations.

Recycle items have greatly expanded and items may now be co-mingled, curbside pickup is weekly and should be placed in either **blue recycle bags** or **blue recycle bins** only (no larger than 18 gals).

This recycling brochure is provided so that everyone can participate in the many service programs provided. Please take the time to read and review the recycling guidelines. The guidelines also include information concerning the collection of yard waste, white goods and the schedule for affected holidays.

If you have any questions about any of these services, please contact the Service Department at 440-582-3002 between 8:00AM and 4:30PM, Monday through Friday.

Thank you,
Bob Stefanik, Mayor
