Recycling Options

North Royalton Curbside Recycling Program

- Rumpke provides curbside recycling service for North Royalton residents.
- The acceptable items on page 2 should be combined loose, not bagged, in the 64-gallon recycling cart. No need to separate. No plastic bags.

North Royalton Public Service Dept. Recycling Drop-Off Station (11545 Royalton Road)

- A drop-off recycling station is provided by North Royalton's Dept. of Public Service for **North Royalton residents only**.

Recycling Tips!

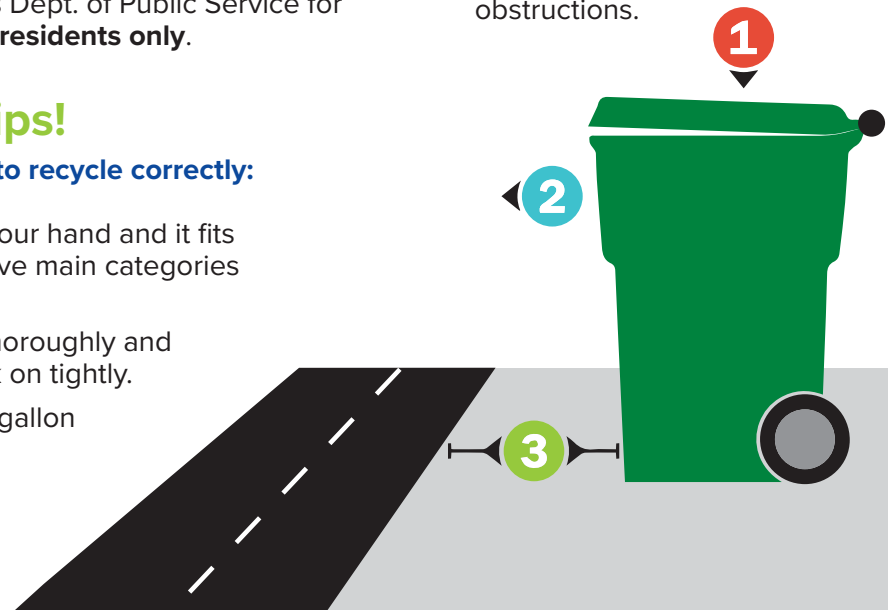

Three simple rules to recycle correctly:

1. If you hold it in your hand and it fits into one of the five main categories it is recyclable.
2. Rinse the item thoroughly and put the cap back on tightly.
3. Put it in your 64-gallon recycling cart.

Cart Placement

- 1 Place items inside the cart and close the lid.
- 2 Face the opening toward the street (face handle away).
- 3 Place cart within 3 ft. of the street and 3 ft. from obstructions.

Recycling in North Royalton is easier than ever.

Combine the following items loose, not bagged, in your 64-gallon recycling container.

In general, we can recycle any plastic container that is shaped like a bottle, jar or jug.

CANS

Empty and Rinse.

CARTONS

Empty and Rinse.
Replace Cap.

GLASS

Empty and Rinse.

What plastics should I recycle and what about those numbers?

It used to be that we looked for a number surrounded by a recycling symbol to determine if a plastic container was recyclable. Now we look at the shape of container to decide if something is recyclable, making recycling plastics easier.

PAPER & BOXES

Flatten Cardboard.

PLASTIC BOTTLES & JUGS

Empty and Rinse.
Replace Cap.

Leave These OUT of Your Curbside Recycling

It's important to recycle correctly. Some items don't belong in your curbside recycling.

Bags & Film

Plastic grocery and shopping bags, bread and sandwich bags, plastic wrap, bubble wrap

Styrofoam

Cups, egg cartons, molded packaging, packing peanuts, take out containers along with bakery, meat and produce trays

Tanglers

Hoses, chains, ropes, chords, hangers, wires, light strands, cassette tapes

Other Unacceptable Items:

- | | |
|--------------|-----------------|
| Batteries | Bed Sheets |
| Buckets | Car Parts |
| Chemicals | Solo Cups |
| Dishware | Electronics |
| Light Bulbs | Needles |
| Pots & Pans | Toys |
| Window Glass | Hazardous Items |

Make your efforts worthwhile by not placing these items in your recycling container. They may be dangerous to employees, damage sorting equipment or reduce the success of the program.
